NB Sono stati classificati soli i concorrenti che hanno partecipato ad almeno due eventi

Cockshott rules for 2016

not sure whether your boat qualifies - please ask us!

The 2016 Cockshott Trophy series will comprise four events.

In order to qualify for the 2016 series competitors must enter a minimum of two events.

The results of all four events will be counted.

The series winner will be the competitor with the highest number of points.

All competitors will be considered as DNS (0 points) for events in which they did not compete.

The scoring method is to be used on event results, not for individual races within an event.

Results will be published on this website as soon as possible after each event.

A spreadsheet showing the number of points for position/entrants will also be available for download from this website.

Scoring method:

Points will be awarded using the following formula:

points awarded = $401 + 1000(\log C) - 1000(\log F)$

where:

C = the number of competitors taking part in a regatta.

F = the boats finishing position in the regatta
